Introduction

The Community Development Report provides a collection of some of the most recent statistical information on Indian River County. Most of the data is provided at the county level, although this report does provide some data at the city level, the census designated area level, and other sub-county areas. Much of the data displayed in this report was provided by various agencies of the State of Florida.

The purpose of this report is to provide information to county residents, employers, and visitors relating to Indian River County's ongoing economic growth and development. If the information included in this report does not answer your questions or if you wish to inquire about the contents of the report, Indian River County Community Development staff are always available to meet with you and discuss your inquiries. Through the "Planner-of-the-Day" office, a county planner is always available to the general public during regular business hours (8:30 AM - 5:00 PM) at (561) 567-8000, ext. 1259.

Web Site Development

Recently, the county established an official web site. Information that is currently at this web site includes:

- < Upcoming meetings and events information;
- < Planning and Zoning Commission Agendas and Minutes;
- < Technical Review Committee Agendas;
- < Planning Department Projects;
- < Planning Department related development applications; and
- < Various plans and reports (including the Community Development Report).

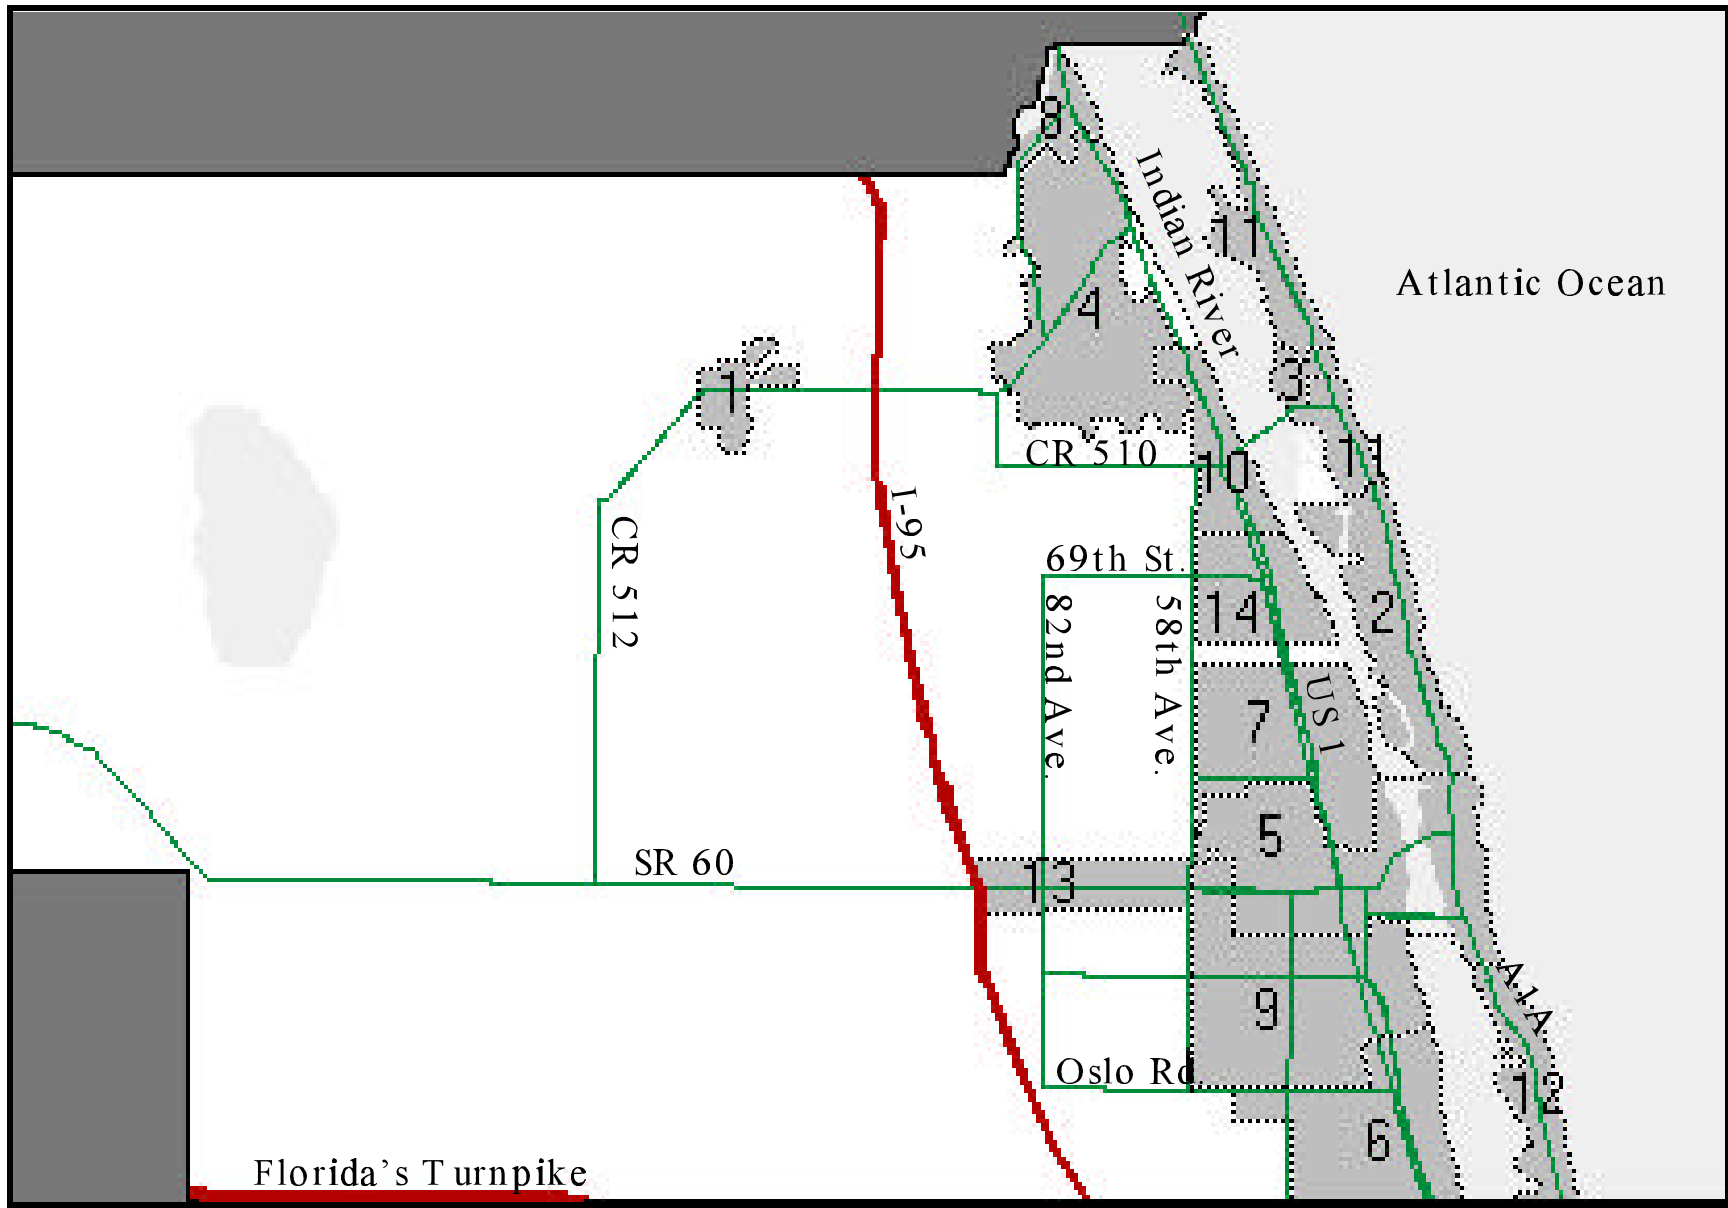

More information is being added to the site on a regular basis. Please visit the site and provide feedback as to how the county's web site can best serve your needs.

The current address for the county's official web site is:
