Introduction

The Community Development Report provides a collection of some of the most recent statistical information on Indian River County. Most of the data are provided at the county level, although this report does provide some data at the city level, the census designated area level, and other sub-county areas. Much of the data displayed in this report was provided by various agencies of the State of Florida.

The purpose of this report is to provide information to county residents, employers, and visitors relating to Indian River County's ongoing economic growth and development. If the information included in this report does not answer your questions or if you wish to inquire about the contents of the report, Indian River County Community Development staff is always available to meet with you and discuss your inquiries. Through the "Planner-of-the-Day" office, a county planner is always available to the general public during regular business hours (8:30 AM - 5:00 PM) at (772) 226-1259 or pod@ircgov.com

Web Site Development

<p>Neighborhood Stabilization Program (NSP) Community Development Block Grant (CDBG)</p>	<p>Funding to purchase and redevelop abandoned and foreclosed properties.</p>	<p>The County applied for \$4,680,825 of earmarked funds to purchase and redevelop abandoned and foreclosed properties. It is anticipated that the state will award the full amount to the county during the summer. The County is in the process of negotiating contracts with the Indian River County Housing Authority and the Treasure Coast Homeless Services Council to assist with acquiring and selling/renting foreclosed homes. The County has also issued Request for Qualifications for Surveyors and Contractors and Invitations to Bid for 8 separate housing acquisition and pre-acquisition related services (i.e. title and closing services, lead inspection services, mold inspections services, termite inspection services, etc.).</p>	<p>Various Planning Staff</p>
