## Beginning FY 2019 Payment Standards

Please be advised that the United States Department of Housing and Urban Development (HUD) annually publishes within the Federal Register the Fair Market Rent (FMR) and mandates in their Federal Regulations all Public Housing Authorities adopt Payment Standards between ninety percent (90%) and hundred (110%) percent of the published FMR.

This Memo gives notice that the proposed Payment Standards amount will be **effective October 1, 2018**.

The following are the final FY 2019 Payment Standard amounts based on the Indian River County FMR for each bedroom size:

| Efficiency                     | One-BR                         | Two-BR                         | Three-BR                          | Four-BR                           |
|--------------------------------|--------------------------------|--------------------------------|-----------------------------------|-----------------------------------|
| \$678<br>110% FMR<br>FMR \$617 | \$842<br>105% FMR<br>FMR \$802 | \$961<br>100% FMR<br>FMR \$961 | \$1,216<br>90% FMR<br>FMR \$1,352 | \$1,392<br>90% FMR<br>FMR \$1,547 |

The FMRs for unit sizes larger than four bedrooms are calculated by adding 15 percent to the four bedroom FMR, for each extra bedroom. For example, the FMR for a five bedroom unit is 1.15 times the four bedroom FMR, and the FMR for a six bedroom unit is 1.30 times the four bedroom FMR.
